## With Jubilee Coaches

### 21 to 25 October 2024

Take the time to discover the Isle of Wight on this lovely tour. With a shoreline dotted with sandy beaches, stunning cliffs and unique visitor attractions, combined with one of the UK's sunniest and warmest climates, it's easy to see why it has been a popular destination since Victorian times. A highlight of the holiday is a visit to one of the beloved homes of Queen Victoria and Prince Albert; Osborne House. Step back in time with a trip on the Isle of Wight Steam Railway and admire the remarkable collection of sub-tropical plants at Ventnor Botanic Gardens, in its unique micro climate.

**Monday 21 October** We travel from local departure points to Portsmouth for a short ferry crossing to the Isle of Wight.

**Tuesday 22 October** First stop today is Godshill Village with its charming thatched cottages, model village, gift shops and tea rooms. Then we continue to Brightstone, with a visit to Isle of Wight Pearl and discover how pearls are cultivated and turned into beautiful jewellery. Finally, no trip to the Isle of Wight would be complete without a visit to Alum Bay, famous for its multi-coloured sand cliffs and breathtaking views of the Needles and lighthouse.

**Wednesday 23 October** This morning we explore Shanklin. The Old Village is full of picturesque cottages clustered around the thatched Crab Inn, many of which have become craft and gift shops. The village is connected to the sandy beach by Shanklin Chime, a beautiful tree-lined gorge. (cost not included) After lunch, we travel to Ventnor Botanical Gardens, one of the great gardens of Britain, at the heart of the famous 'Undercliff'

**Thursday 24 October** Today we enjoy a visit to Osborne House, Queen Victoria's island retreat. Highlights include the lavishly furnished State Rooms and glorious grounds and gardens. Later we travel on the award winning Isle of Wight Steam Railway for a nostalgic journey through beautiful countryside and ancient woodland.

**Friday 25 October** After breakfast, we depart for the ferry back to the mainland and on to our local drop off points.
